Environmental Regeneration

Sustainability is part of everyday life at Kuranda & Outback Tours.

Through our partnership with Reforest, every tour helps restore the endangered **Mabi Forest** on the Atherton Tablelands. In the last six months alone, more than **100 trees have been planted**, rebuilding habitat for native wildlife.

With less than **4% of this unique rainforest remaining**, every journey our guests take helps support its recovery.

Andrea & Leone

Acknowledgement of Country

Kuranda & Outback Tours acknowledges the Traditional Custodians of the lands and waters of Far North Queensland, including the Djiru, Yidinji, Djabugay and Ngadjon-Jii peoples.

We pay our respects to Elders past, present and emerging.
